Re: Commodore Semiconductor Group Site
Norristown, Pennsylvania

Dear Mr. Kennedy:

As we have previously discussed, EPA is preparing to issue an administrative order requiring Commodore Business Machines, Inc., and Allen-Bradley Company, Inc., to implement the remedy selected by EPA for the Commodore Semiconductor Group Site in the Record of Decision, issued on September 29, 1992. In addition, the order will reference the Explanation of Significant Differences ("ESD") which EPA plans to issue prior to the issuance of the order.

This letter will serve to provide the Commonwealth of Pennsylvania with notice, as required by Section 106(a) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. § 9606(a), that EPA plans to issue the above order in the forthcoming weeks.

Please contact me if you have any questions concerning this matter.

Sincerely,

Ruth Rzepski
Remedial Project Manager
